

20 th. International Symposium on High Voltage Engineering

## Paper submission guidelines

### General

The ConfTool System will be used for handling abstract/paper submission, the review process, and participant registration. You have to create a user account in order to use any facilities of the system.

### Registration process

1. Please open web page <https://www.conftool.pro/ish2017/register.php> in your browser.
2. Fill in your personal and account information (**remember All fields marked with an asterisk (\*) must be filled in**)
3. Click on “Submit and Begin With Submission of contribution” or “Create User Account Only, Submit Contribution Later”.

#### Register New

On this page you can create a new user account for the ConfTool conference management system. All fields marked with an asterisk (\*) must be filled in.

Personal Information	
* Organization / Company	<input type="text"/>
Department	<input type="text"/>
* Title	<input type="radio"/> Ms. <input type="radio"/> Mr. <input type="radio"/> Dr. <input type="radio"/> Prof.

## Login to the ConfTool System

1. Please open web page <https://www.conftool.pro/ish2017/> and log in with your username and password under "Registered Users".

### ConfTool Conference Administration

Log in to your account to **submit a contribution**, enter or view reviews and access the results of the reviewing process.

If you have not yet created a user account, please do so now.

**Account Login**

First time here?

[Create account and submit contribution](#)

---

**Registered users**

E-mail or user name:  · [Forgotten your user name?](#)

Password:  · [Forgotten your password?](#)

**Note:** If you have forgotten your password a new one can be obtained through the "Forgotten your password?" link.

2. After your log in, please select "**Your Submissions**" link and see results of the abstracts review. You will have the possibility to update your submission (text of abstract, authors, presenting author)

#### Welcome, UserName!

You are logged in as user **UserName**.

You can select from the following options:

- Your Submissions**  
Here you can submit new contributions and manage your submitted contributions.
- [Show User Account Details](#)  
Here you can access the personal data of your user account.
- [Edit User Account Details](#)  
Here you can update your personal user data.
- Logout**  
Please sign out when you are finished to prevent unauthorized access to your account.
- [Logout and Return to the Main Website](#)  
Sign out and return to the website "20th International Symposium on High Voltage Engineering".

**Note:** Your submissions link will be enabled on September 01, 2016

20 th. International Symposium on High Voltage Engineering

Overview > Your Submissions > New Submission

### Submission of a Contribution - Step 1

Please complete the form below in order to submit your contribution. All fields marked with an asterisk (\*) must be filled in. The next steps will allow you to preview your submission, upload files to the server (if required), and to save your submission.

**Information on This Contribution**

Submitting Author: User Name (User ID: 1002)  
 Conference Track / Submission Type: Paper submissions

**Information on Author(s)**

	First & Middle Name/s	Last Name	E-Mail	Org. Index	Presenting author
1	Name Author	Last Name	email@email.com		<input checked="" type="radio"/>
2					<input type="radio"/>
3					<input type="radio"/>
4					<input type="radio"/>

[Add Rows for More Authors](#)

Please list one author per line.  
 If the contribution has several authors from different organizations, please put an **index number** of the authors' organizations in the right column. The index numbers have to match the line numbers of the organizations below.  
 Several organizations per author may be separated by commas.

**Organization(s)**

1	Organization, Argentine Republic
2	
3	
4	

[Add Rows for More Organizations](#)

Please list every organization only once. The line number of the organization has to match the index listed above (behind the authors).

**Submission Details**

**Title of Contribution**: Title

**Abstract**: Abstract

400 words remaining  
 Plain text only, do not use HTML in this field.

**Topic**: Please select the topic from the list that **best suit** your submission. This is to assist with the review process and the creation of the conference program itself.

- Electromagnetic fields
- Transient voltages
- High voltage and high current testing techniques
- Advanced materials and insulation systems
- Diagnostics and monitoring
- HVDC technologies and applications

**Keywords**: Keywords  
 Please enter up to five keywords for your contribution here, separated by commas.

**Remarks on This Contribution**

Remark / Message to the Program Committee and Chairs

[Proceed >>>](#)

**Important:** You must upload paper in **pdf** and **doc/docx** format with maximum size of 10 MB. Please finish the procedure by clicking the button Upload File(s).
